

CHRISTIANA MALL SET-UP

- Setup will be Thurs/Fri/Sat night @ 8pm or Friday/Sat morning @ 8:30am. If you are only selling Sunday, setup will be 8pm Sat night or 9:30am Sunday morning. I highly suggest setting up Thursday night or the nights before selling day.
- You will unload at the Fire Exit by JC Penny. PLEASE take the time to pull up the mall map and familiarize yourself with the entrance.
- I will be waiting in the JC Penny wing to show you your spot.
- Mall hours are 10am-8pm Fri & Sat and 11am-6pm Sun. You ARE REQUIRED to stay the entire time.
- You MUST have floor length table cloths that fall to the floor.
- Please have a fold up or Director chair. Camping chairs are NOT permitted by the mall. You also must provide your own tables.
- Your signage must be computer written (NO handwritten signs but small price tags are OK).
- You must arrive at least 30 min before the mall opens for setup and must be fully setup by opening of the mall. The mall manager WILL come by in the mornings.
- Please be mindful of your space and NOT invade into your neighbors space. There is NO SET space given, it all depends on your setup. Please feel free to send me a picture of your setup and I will do my best to accompany your request, NO guarantee!!
- If you have ANY special requests or needs, please private message me or text me at 13012686277 ASAP with them as I'm doing a PRELIMINARY floor plan. Once I meet with the mall Thursday at noon, I'll have a more definite floor plan.
- Please keep in mind, placements will be made with the priority of (1) surrounding stores verses your business (2) electrical needs FOR PRODUCTS/DISPLAY (cell phone/laptop charging is not a priority, bring a battery pack) and (3) size of space needed for larger vendor displays.
- Please "LIKE" this post so I know you have received this information. Reach out to me if you have any questions
